Hi EPA friends,

Can I take this as the Administrators' protocol order for seating purposes?

Also, did you want all people in all meetings (other than Country Team – Mark sent me that inside/outside list.)

Thanks,

Hi Alessandra,

Per your request, below is the most updated list for the U.S. delegation. The total number of people is 33, pending confirmation of the final number of drivers, who I understand also need to be registered as Delegate Blue. This list includes security personnel, 5 representatives from Firms, and 2 representatives from Universities. Please let me know what additional information would be helpful at this time.

Many thanks,

Alexis

Dear Focal Point,

I would like to ask you the size of your delegation, specifying roles and function, in particular writing all the names of those who WILL participate in the side event of Universities and Firms, This will help us in preparing list of participants.

Thank you for your cooperation
